

WHEN THE FIRE FELL

THIS BOOK IS FOR THOSE WHO HUNGER AND THIRST FOR MORE . . .

If you desire to have a more intimate relationship with Jesus Christ our Lord, or to experience Him as a living force, then this book is for you.

ARE YOU TIRED OF CHEAP GRACE?

This book will open to you the doors of true worship, the worship that is meaningful and real. You will come face to face with God's expectations of you and appreciate these as necessary ingredients for the changes that you desire in your life.

THIS IS A BOOK OF STORIES.

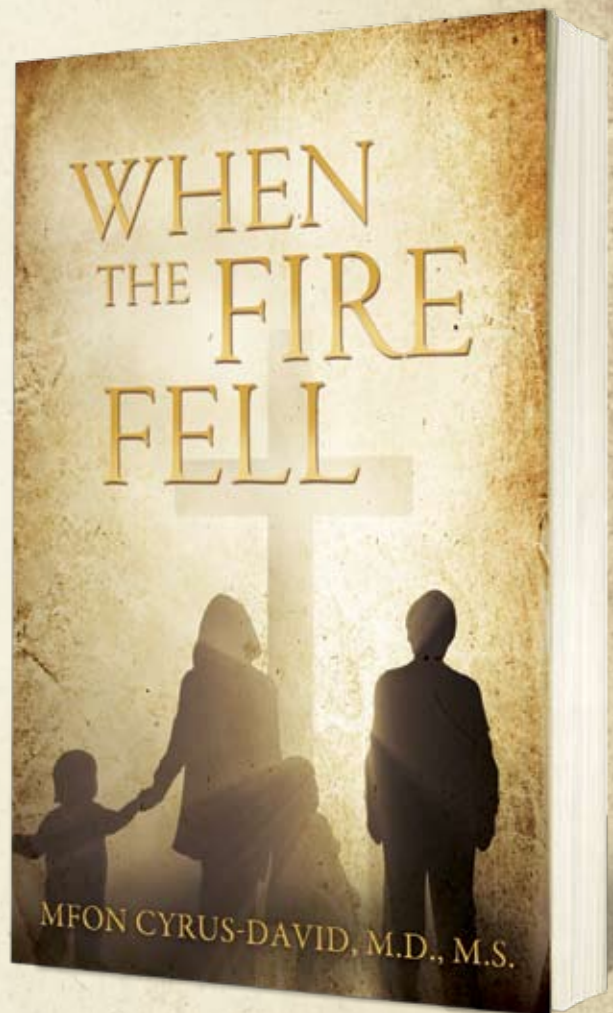

It bears the stories of how God held others just like you in His mighty hands, took them through difficult times, and through those experiences, they were transformed until they became who He desired them to be, and in the process, their wildest dreams came true. It bears the stories of strengths in spite of weaknesses, of victories in the midst of seemingly inevitable defeats. It tells of the immeasurable strength of God at work in the true worshiper.

IT IS A PERSONAL STORY.

The author shares with us the deep truths of true worship that he learned through trying experiences, as God held him in His hands and kept His promises.

ARE YOU DOWN AND OUT?

Have men told you that the dream God gave you would never come true? Have you been beaten down by your circumstances, and all seems lost? You are not alone. Others have been there, and God led them through and out of their seemingly impossible situations. **READ THIS BOOK!**
