NO LANDSCAPING ON WEEKENDS AND HOLIDAYS

Dear Landscaper,

We have been receiving many complaints from our residents of the disrupting noise from lawn mowers and leaf blowers on the weekends and holidays, our only days off from our hardworking schedules. This issue was discussed at our last Board meeting and we would like to inform you that the Board has unanimously voted in favor of our residents' peace and tranquility.

We have contacted the Community Planning Board of the City of New York and have been informed of the following information which states **NYC Administrative Code Section Code Number 24-227.1 & 24-242** prohibits the use of landscaping equipment over the decibel limit of 75db(A) to be used on the weekends and Holidays. Therefore, only allowing landscaping to be done on weekdays between the hours of 8AM – 7PM.

The residents of our community whose daily life has often been infringed upon due to the endless noise and dust caused by your lawn mowers, leaf blowers and other landscaping devices will greatly benefit from the resolution. We are asking you, the landscaper, to respect our community and the resolution that was passed and limit all landscaping being performed in our neighborhood to **WEEKDAYS ONLY**. Again, landscaping hours are only Monday – Friday between the hours of 8AM - 7PM only.

For your information, our community boundary lines are from Hollis Hills Terrace to Springfield Boulevard and from the Grand Central Parkway to 77th Avenue and is the area in which the resolution covers. If you have any questions, please feel free to call us at (718) 217-4426.

Thank you for your cooperation.

Sincerely,
Board of Directors
Hollis Hills Civic Association
