Re: Vanderbilt Motor Parkway

Dear Frank,

I'm sure you are familiar with the current situation regarding the Vanderbilt Motor Parkway. I would like to ask you if you can send a letter to Mrs. Lesley Webster, Special Counsel for the Department of Parks and Recreation and emphasize the importance of getting this extension, allowing the community together to find the right solution to this problem. With your help I'm sure a solution will be possible.

Enclosed for your review is a copy of the letter I sent to Mrs. Webster along with the resident's concerns.

Thank you for your attention to this matter.

Sincerely,

Zion Halili
President
