

# Italian Language & Enrichment Center

## Giochiamo in Italiano... Lets Play in Italian Pre-School Enrichment Program in Italian

Prices for 2008 -2009

Starting this September

Giochiamo in Italiano... Lets Play in Italian will offer a half day Pre-school bi-lingual Enrichment program in its new home at the Italian Language and Enrichment Center 551 Park Avenue, Scotch Plains.

This program will allow children ages 2 1/2 -5 years old to embrace the Italian Language and culture while learning there A, B, C and 1, 2, 3's in both English and Italian. Children will be encouraged to communicate in Italian with the help of supportive and patient teachers. The class room will be designed for both exploration and hands-on learning of life and world around them.

### What days should I pick?

It is best to pick all 3 days this way the language is a constant in the child's mind. However if you choose to do only 2 days it is best to pick Tues & Thurs. The closer together the days the easier for the child to adjust. But be consistent. Children do best on a schedule.

### Will you serve Lunch?

No, each day a small snack will be served of pretzels/crackers with juice /water. If your child has food allergies we must be told before hand to accommodate the child.

Your little preschooler will be introduced to a preschool level curriculum. Below are a few of the things they will be learning but not limited to:

- Numbers, colors, letters, shapes and seasons.
  - Social skills along with fine & gross motor skills
  - Group time activities including snack, story time, art, music and movement.
- All of which will be taught in a bi-lingual fashion.

Parents will be able to choose from a 1, 2 or 3 day drop off program , AM or PM. Each program is in session for 2 hours.

Our new home will also house all the current Mommy and me classes that run in West-

field on Mondays and Saturdays along with all of our Adult night classes and private tutoring. On site parking is available.

Enrollment for all Mommy and Me and the Preschool Enrichment program classes has begun!

To enroll your child in the preschool Enrichment program fill out the registration form and send it in along with your annual registration fee and first months tuition.

This will hold your child's spot.

A grand opening orientation party will be scheduled before school starts. September 4th is the first day of school.

## Frequently asked questions

### Can I do 2 days one week and switch the days the next week?

This is discouraged since children need consistency and routine. the children will begin to make friends in their scheduled classes therefore different days will have different children, but we will try to accommodate you whatever your needs.

### Do I stay with my child like I did for your Mommy and me classes?

No. one of our objectives is to help you teach your child independence . We recommend that you say your

goodbyes quickly and leave, this way the child can adjust quickly without fuss and disruption to the other children.

### Do you follow a school schedule?

Yes, once your application is accepted a follow up package will be given to you. In there will be the 10 month school schedule with the days we are in session. Please note that our Mommy and me classes do not follow the regular school schedule and is a separate program with separate registration.
